Braves Award Winning Band

The BRAVES' Blue Ribbon Band marched and played its way to many victories this year. Long and tiresome hours were spent marching and practicing to attain one of the finest records in the band's last nine years of competition. The 1968-69 parade season marked the first time since 1961 that the band has placed in all parades entered. Aside from winning honors, the BRAVES' Band promoted pep and spirit with its outstanding precision halftimes.

OUR FEARLESS SQUAW: Mrs. Barbara Murad.

Performing at football half-time shows was only one of the many outstanding features of the Bravette Drill Team, an extremely active organization at Baldwin Park High School.

During the past year, the Drill Team marched in many parades such as those at Rosemead, Hawthorne, Chaffey and Arcadia.

For the first time in many years, the Bravettes presented a precision unit at the basketball half-time shows. The unit was composed of girls who had shown outstanding ability in performing routines.

Spirit of the Times

Quite a bit was done and changed in the year between the covers of this book. Just what we will remember is yet to be seen, but one thing is for certain — reminiscing is an important, natural, and enjoyable part of a person's life.

Faces and names that seem so important today may not be of any great significance in our later years. What we will and want to remember are the symbolic and typical things representative of those decisive years that contained the influences that guided and set the paths of our lives.

Shown here are a mere few things symbolic of the beginning of a new decade, a new today, and most important of all, a new tomorrow.

Short skirts.

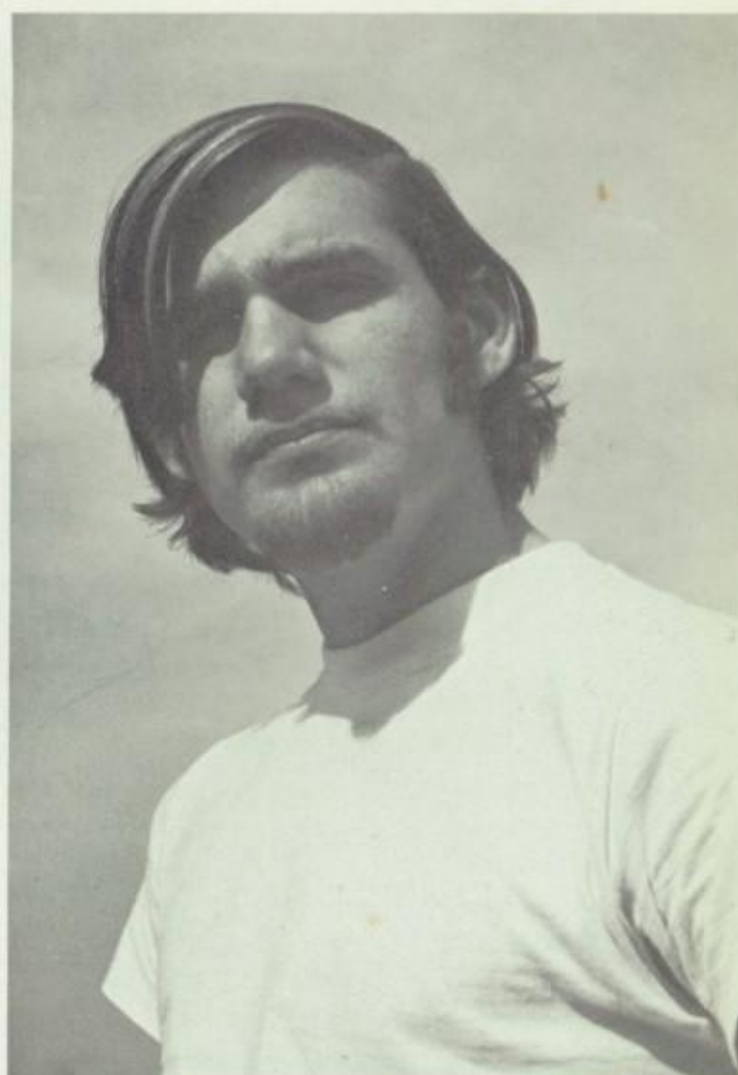

Classy transportation.

A place of knowledge.

A sign of the times.

Long hair, beards, and sideburns.

Casual, yet comfortable.

A flared style in dress.

A changed and liberal dress code.

Big Switch Was...

Once again the students of Baldwin Park High School undertook the responsibilities of school and civic administration through Operation Big Switch.

Big Switch is a student program that enables the young people of Baldwin Park to take an active part in the daily functions of the city. It was designed to make the future citizens aware of the how and why of the more important positions in the city and in the schools.

Assuming the position of Mayor was Paul Schlerf while Lewis Kingman served as Councilman and Charlotte Wittig as Councilwoman. Other BP students holding civic positions were: Tracy Brown, City Clerk; Toni Gates and Bob Smith, judges; Kathy Benuska, city librarian; Debbie Shelby, Assistant Superintendent of Schools; and Chris Knott, Director of Psychological Services.

Taking over as Chief of Police was Fred McNeill. Dave Morgan became Assistant City Engineer, and Glenda Ashton was Special Education Director.

The San Gabriel Valley Tribune staff consisted of Terri Luna, Editor; Judy Civick, Teen Scene Editor; and Beverly Johnson and Pearl Franklin, reporters.

Russell Ruff served as principal of BP and his coordinating principals were Larry Leos, Charlene Garcia and Bill Judy. The positions of elementary school principals were held by Dewayne Wintrode, Mike Hurst, Mike Jones and Mary Balog. Their secretaries were Denise Forman, Debbie Lane and Debbie Diaz.

Abbe Ellington and Charles Livingston served as BP nurses.

Under the guidance and supervision of the school officials and business leaders, over 100 students participated in the program.

Through watching and working in numerous positions, the students from BP obtained a deeper knowledge and appreciation of the function and importance of city, school, business and government.

Once again members of Baldwin Park High School scored a tremendous success with their presentation of Arthur Miller's powerful and controversial drama.

Humanities

Humanities, a class designed for the above average college-bound student, created a picture of man in his changing society from the Renaissance to the 20th century. Three members of the class — Mike Hurst, Del Potter, and Debbie Woodham — appeared on the television program "The New Society", and many other class members enjoyed a modern play, *Idiot's Delight*, presented at the Music Center.

Under the more than capable guidance of Mrs. Ellen Genda, Humanities has proved indispensable for college preparation.

Leo Club

This year the Lions Club of America initiated a high school service organization called the Leo Club. It is the first campus club in the United States whose sole purpose is to benefit the school. The chapter at Baldwin Park is unique in that it is the only co-educational service club in the country.

The Leo Club is concerned with aiding all other clubs on campus in conjunction with ASB and with participating in community services with the Lions Club. At present the Leo Club is composed of the most active hard-working students on campus.

All candidates for membership are screened by ASB officers, the director of student activities and Leo Club officers. They must then be approved by the Lions Club. The club is as selective as possible, wanting only those who will contribute something worthwhile to the club and school.

The Leo Club looks forward to giving many years of useful service to Baldwin Park High by being the most active club on campus.

"True unity is achieved only when the significance of the team is fully appreciated by all of its members. Yet this appreciation rarely lasts for more than a moment — before it is precluded by personal emotion, but when unity becomes the underlying objective of every individual, the team seems to function as one, with single mind, direction, and purpose."

Football, 69-70

Lady Luck smiled with disfavor upon the Braves' 1969 Varsity Football Team that lost two games in the last 35 seconds and never lost any game by more than one touchdown.

Baldwin Park finished the season with an overall record of 1-3-2, placing fifth in the Montview League.

BP started the season by romping over crosstown rival Sierra Vista but lost their second game to Wilson 16-14 in the last 34 seconds. The Braves started Montview League play with a 6-6 tie with Bassett, fumbling four times inside the Basset 10 yard line. Charter Oak needed just 17 seconds in the fourth quarter to come from behind to skim past the Braves 20-14. BP then lost to Azusa 28-20 and Nogales 30-22. Finally, the Braves trounced Edgewood 30-20 and demolished the Rowland Raiders 44-13, their highest output of the season. They then tied league champs Northview to blemish their perfect 5-0 record of 5-0-1.

Three of BP's players were given all league selections: Scott Bartee at guard, Dwayne Wintrobe at safety, and Fred McNeill at halfback and linebacker. McNeill placed tops in individual scoring with 130 points and was also honored by the Sertoma Club as Player of the Year in the San Gabriel Valley.

The '69 varsity team, despite a few losses, was a credit to BP and retained the tradition of Braves' spirit and pride.

Basketball Varsity

The Baldwin Park Braves Basketball Squad completed one of its most successful seasons in a decade with a third place finish in the Montview League after spending most of the 60's in the second division.

Paced by leading scorer, Gale Hillis, and top rebounder and "Most Valuable", Fred McNeill, the Braves finished with a 6-6 league record behind an undefeated champion, Northview, and second place Bassett.

The Braves jumped into the league race early in the season capped off by a last second victory over Nogales 7-7 and an early 3-1 league record. Going into the second half of league play, the Braves' title hopes were jarred by a 50-45 loss to Northview followed by an upset loss at Azusa.

It was a gratifying season to Coach Babb as this senior team showed the way up for future Brave teams. Jay Hattabaugh, Jon Scott, Dave Covert, and the only returning player for next year, Danny Ortiz, led the way for the Braves. They were supported by a strong bench which included John Davis, Scott Bartee, Dwight Schroeder and Paul Schlerf. This bench played a big role in two thrilling Brave victories when several starters fouled out.

The Braves finished with a 7-13 record, but they were faced with an overpowering early season schedule which helped to prepare the Braves for league play.

Gale Hillis, the top scorer, was picked as the team's "Most Improved Player," Jon Scott was named the "Rookie of the Year" and Fred McNeil was the "Defensive Player of the Year" as well as "Most Valuable."

Pride in their defense, hustle, and never-say-die were the keys to these 1969-1970 varsity accomplishments.

Jon Scott ZAPS the camera as Coach Cooper, Coach Babb and Jay Hattabaugh show signs of deep thought.

Montview League Champs

The JV's had a dream. In 1969 Summer League, they took second place under the guidance of Coach Gary Cooper.

When the Montview season opened, they arrived on the threshold with a 6-7 non-league record. The players were hopeful and sure of themselves.

But they lost their first game to Northview (55-51) and their fourth game to Nogales by five points.

At this point, Coach Cooper rallied his squad and won eight in a row for the league championship. A dream came true.

The Braves were led by All-League center John Dilazzaro who consistently scored over 20 points and 15 rebounds a game. John Hajek and Cliff Holder were both second team all-league and Ron Weyant gathered honorable mention.

Ross Brunson, BP's first Foreign Exchange Student, will spend the summer of 1970 in Germany as a "good will ambassador" from Baldwin Park. Under this program, Ross will live with a German family learning about their life and customs. He will bring back to the school and community the knowledge, experiences and understanding which then can be given to the high school students and the community through presentations at high school assemblies and civic club meetings.

P.T.A.

PRESIDENT: Mrs. Eugene Litch; 1st VICE-PRESIDENT: Mrs. Bud Gray; 2nd VICE-PRESIDENT: Mrs. J. A. Felix; 3rd VICE-PRESIDENT: Mrs. J. Radosevich; RECORDING SECRETARY: Mrs. William Gamble; TREASURER: Mrs. Frank Gonzales; HISTORIAN: Mrs. Richard Perez; AUDITOR: Mrs. Henry Cipov; PARLIAMENTARIAN: Mrs. William McDonald

The P.T.A., an extremely active organization, is an important asset to Baldwin Park High School. During the 1969-70 school year it sponsored a booth at Carnival, held a bake sale, helped with both the TB tests and the Blood Bank, and managed the snack bar at Homecoming. One of the P.T.A.'s most important functions is its student scholarship fund which it operates in conjunction with Sierra Vista.

Sports Club

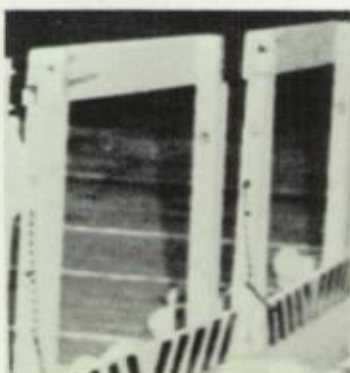

PRESIDENT: Richard Allison; 1st VICE-PRESIDENT: John Schlerf; 2nd VICE-PRESIDENT: Harlan Hodges; 3rd VICE-PRESIDENT: Ashby Smith; SECRETARY: Mrs. Maxine Martin; TREASURER: Mrs. Coleen Hodges; BANQUETS AND PROGRAMS: Mrs. Coleen Hodges; CHAIRMAN: John Schlerf

The Sports Club is a parent-oriented organization whose only purpose is to help the sports program at B.P. For the football program the Sports Club provided new face masks and other equipment, purchased game films for varsity and JV, provided pre-game meals for varsity, provided trophies for the football banquet, and printed the football programs.

For wrestling the club purchased a new wrestling mat, paid for two wrestling tournaments, and provided trophies and medals.

The Sports Club has invested over \$6,000 in the B.P. sports program.

A Time to Parade and Achieve Success

No parade would have been possible without the help of the Braves Band Boosters and the Squaws Club. The parents who make up the membership of these two organizations were always there to polish a shoe or moccasin and to see that the band and drill team looked their best.

Jim Shuttleworth

With the first few weeks of school,
we came in, short, small, and smiling.

And we grew, not necessarily erect, bent
by the burning of trash cans, and the
heavy hands of Lincoln and Holmes.
When the days grew longer though, we
thought we might survive together.

The sophomore year found us too young
and too old, settled and confused.
Not really much.

Until the junior year was crisis.
We stood up and fought each other,
saw a flagpole burned down, ditched
school and learned to grow very wise
on the sands of the beaches.

Now the seasons have changed.
We have shed the leaves, golden in
other autumns.
With sadness we watch the high school
winter melt. Spring is revealed.

So much may be forgotten:
football games, homecomings, preparing
for tests, youthful infatuations, formals
and proms. We may even forget names and
faces.

But one thing we will remember.
We did grow through the seasons.
